DHL GROUP

Request for Proposal (RFP)

CMMS Platform for Multi-Site Warehouse Maintenance Management

Date Issued: 11.03.2026

Response Deadline: 25.03.2026

Commented [KG1]: @Christoph Dautz (DHL Supply Chain) do we just leave it as “CMMS”?

Commented [CC2R1]: @Gerhard Kayser (DHL Supply Chain)

Commented [GK3R1]: Tbd, right ?

Commented [CC4R1]: Yes - can be adjusted as suitable. From my POV should be add some more content at least divisonal (DSC) and perhaps regional (G&A)

1. RFP Rules

1.1. Confidentiality

This Request for Proposal (RFP) and associated documents are both confidential and proprietary to Deutsche Post AG, on behalf of its subsidiary and any successor companies (For ease of reference the DHL GROUP group of companies, is hereinafter referred to as "DHL GROUP"). DHL GROUP reserves the right to recall this RFP in its entirety or in part. Suppliers cannot, and agree that they will not, duplicate, distribute or otherwise disseminate or make available this document or the information contained in it without the express written consent of an authorized representative of DHL GROUP. The confidentiality agreement is applicable to this RFP and all communication related to it.

Even if your company does not intend to respond to this RFP, you are bound to maintain confidentiality on all matters related to this RFP, including the fact that this RFP was issued.

Notwithstanding the foregoing, you may make this document available to those employees who have a need to know its contents in order to participate in the preparation of a proposal. All pricing and non-pricing information submitted in response to this RFP will be considered confidential.

1.2. RFP Preparation and Submission

Examination

Any Supplier planning to submit a proposal is responsible for examining with appropriate care the complete set of RFP documents and appendixes. The Supplier is also responsible for informing itself with respect to all terms and conditions that might in any way affect the cost or the performance of any work within the scope of this RFP. Failure to do so will be at the sole risk of the Supplier, and no relief can be given for errors or omissions in its proposal. Such occurrences shall not relieve the Supplier from the responsibility for estimating properly the difficulty or cost of successfully performing any work required.

Requirements errors

If any of the requirements listed in these documents are unclear, or if Suppliers know them to be inaccurate, the Supplier should inform DHL GROUP Team using the contact information provided in this document. The Supplier should state the nature of the inaccuracy or lack of clarity in detail and suggest a resolution. The Sourcing Team will assess the matter and respond accordingly to all Service Providers planning to submit a bid.

Procedure & Exclusion

DHL GROUP reserves the right to amend the tender documents (RFP) at any time. DHL GROUP will inform the Suppliers of any changes in a timely manner.

Questions must be addressed exclusively in writing to the contact persons designated for this purpose in Section 1.6 of this RFP. Please refrain explicitly from telephoning or making personal enquiries to other contact persons or any other person at DHL GROUP.

Any violation of the provision will result in exclusion from the offer procedure.

DHL GROUP reserves the right to answer some or all questions and to make questions and/or their answers available to all or individual tenderers.

The Supplier should refer to the RFP document in his submission; only the performance description contained therein is valid.

Subsequent changes to the offer are only permitted until the end of the submission period.

Addenda

During the RFP process, it may become necessary to create addenda to this RFP with clarifications of instructions, additional questions for Suppliers, and amendments to specifications, additional specifications or other considerations. If relevant these will be sent to all Suppliers planning to submit a bid as soon as possible at the e-mail address furnished by the Supplier.

Validity period

The Proposal submitted by the Supplier must be valid for acceptance by DHL GROUP for a period of 6 months from the due date set for the receipt of this RFP.

Signatures

The proposal must show the full legal name and business address of the Supplier, including its street address if that differs from its mailing address, and must be signed and dated with the signature of the person(s) authorized to bid by the Supplier. The name of each signature must be typed or otherwise clearly imprinted below each signature. If the Supplier requires subcontractor participation, written approval from DHL GROUP Procurement is needed.

Submission

Each completed proposal must be sent to DHL GROUP in digital form only by submitting the document in GoSource and emailing it to the named contact person in section 1.6 no later than the due date indicated in this document.

Modification

A Supplier may, without prejudice to itself, modify or withdraw its proposal by written request, provided that the request is received prior to the due date and time for the final submission of the proposal. Following the withdrawal of its proposal, the Supplier may submit a new proposal, provided the delivery is effected before the established due date.

Additional information

DHL GROUP is likely to request additional data, discussions, samples, or presentations in support of the response to this RFP. Selected Supplier will be asked to present their proposals following initial evaluation. Additionally, DHL GROUP may take steps to confirm or clarify any information provided, or to collect more evidence of managerial, financial, and technical capabilities of any potential Supplier. Such steps may include, but are not limited to, surveys, meetings and visits with current customers served by the potential Supplier.

1.3. Disclaimer

All costs for preparing and submitting this RFP are to be borne by the Supplier. DHL GROUP is under no obligation to reimburse any Supplier for any costs associated with preparing and/or submitting a proposal whether or not the Supplier is selected. This RFP does not commit DHL GROUP or any official of it to any specific course of action. The issuance of this RFP does not bind DHL GROUP or any official of it to accept any

proposal, in whole or in part, whether it includes the lowest bid, nor does it bind any of the official of DHL GROUP to provide any explanation or reason for its decision to accept or reject any proposal. Moreover, while it is the intention of DHL GROUP to enter contract negotiations with the selected Supplier, the fact that DHL GROUP has given acceptance to a Supplier does not bind it or any official of it to purchase any product or service from such a Supplier.

All information provided by DHL GROUP is and will be supplied in good faith as being correct and accurate. All information supplied to DHL GROUP by the Supplier which creates part of the Response will be deemed to be accurate by DHL GROUP.

If information supplied by the Supplier is discovered to be false, it is at DHL GROUP's discretion to phase the Supplier out or exclude the Supplier out of the RFP process.

DHL GROUP is free to select or reject Suppliers. The Suppliers are not entitled to go through the tender procedure to its completion. DHL GROUP may, at its own discretion, abort, interrupt or resume the procedure after an interruption. Participating Suppliers waive with legally binding effect the right to have these discretionary decisions reviewed, e.g. through arbitration or court proceedings.

Please note that DHL GROUP will NOT offer any debriefing or post-mortem analysis for unsuccessful Suppliers not selected to the short list.

1.4. Evaluation Criteria

To enable fair and consistent comparison across Suppliers, the Responses evaluation process will follow a series of standard steps. Potential Suppliers will be rigorously screened based on tailored selection criteria, which shall be applied to response submissions.

DHL GROUP will also take into account as part of the evaluation, discussion with the Suppliers during the Q&A session and Suppliers' presentations, if applicable.

DHL GROUP reserves the right to accept or reject any and all Responses at its complete discretion and to negotiate the terms of any subsequent agreements. As aforementioned, DHL GROUP is looking for reliable, financially stable Suppliers who have the ability to meet or exceed DHL GROUP's stringent cost, quality, and service requirements. Specifically, these requirements are:

- Service Capability – Suppliers must be able to demonstrate the excellence of their products and services.
- Account Management – Suppliers must be able to demonstrate their ability to manage major accounts providing comprehensive and effective management reporting.
- Payment Terms – Suppliers who do not accept DHL's payment terms of 60 days are unlikely to proceed to further stages of this RFx
- Competitive Pricing & Financial Stability – initial and ongoing Competitive Pricing will be the focal point of DHL's selection process. DHL GROUP will carry out relevant credit checks and this will form part of the scoring mechanism and decision making process.

DHL GROUP does not represent that these are the sole evaluation criteria, and reserves the right to adjust the criteria at its discretion.

Please note that DHL GROUP will not provide the detailed evaluation criteria of responses to unsuccessful Suppliers. A short feedback round for the unsuccessful bid will take place after the project has been

awarded at DHL GROUP Corporate Procurement's discretion.

1.5. Contact with DHL GROUP

All contact and questions with regard to this RFP must be made through the designated Deutsche Post DHL contact person. Discussions with other parties within or associated with DHL GROUP may result in disqualification from this process. Only information received from the designated contact partner should be considered valid and binding. For the purpose of this RFP, please direct your questions in writing to:

Procurement – primary contact Please address here all queries related to the RFP process, intent to participate, commercial, pricing, contracting, and similar nature	Name: Karolina Gola Title : Category Manager Software Corporate Procurement E-Mail: karolina.gola@dhl.com
Technical Contact Please address here all queries related to the statement of work (BRS, SLA, technical specifications, etc.)	Christoph Dautz Head of Implement / Project Engineering **DHL Supply Chain Germany & Alps** E-Mail: c.dautz@dhl.com

All questions to this RFP must be submitted in written, digital format only using the Question Submission Form (see Appendix 1) via GoSource by the deadline specified in this RFP document in section 3 of this RFP. A digital copy should be sent by e-mail to the contact person mentioned above.

The questions will be answered by the dates set out in section 3 of this RFP.

1.6. Out of Scope Responses

Suppliers must respond as directed in section 4. 'Form and Minimum Requirements for the proposal' in any event, but if they have other ideas on how DHL GROUP's service could be delivered these should be discussed with DHL GROUP. DHL GROUP holds the right to reject or take forward any out of scope proposals without reference to the Supplier.

1.7. Requests for Further Information

During this RFP process, the Supplier is expected to follow all instructions provided in this RFP, and to respect any directions given in writing by the DHL GROUP individuals identified in this RFP and Appendices. In particular, DHL GROUP wishes to emphasize that it is DHL GROUP's express direction to every Supplier that with regard to this RFP, the Supplier shall restrict its communication with DHL GROUP to the individuals named in this RFP, and refrains from contacting any other individuals within DHL GROUP.

Unless such communication is initiated by DHL GROUP RFP team, any violation of this direction or any other attempts by other means to obtain information or exert influence upon DHL GROUP may lead to the disqualification of a Supplier.

Questions must be addressed exclusively in writing to the contact persons designated for this purpose in Section 1.6 of this RFP or by the GoSource portal only.

1.8. Integrity

Your Response shall be bona fide and you will not have fixed or adjusted your offer pricing in conjunction with

any competitor third party, nor communicated the content of your Response to any third party not directly involved in its preparation. Your attention is drawn to competition law in the jurisdictions relevant to this RFP exercise.

1.9. Confidentiality Agreement

The information contained in this RFP is Confidential Information, and is protected under the provisions of the Confidentiality Agreement that your organization has entered into with DHL GROUP prior to the response to this RFP.

For the avoidance of doubt, any recipient of this RFP that declines to submit a response shall continue to be bound by the applicable terms of the Confidentiality Agreement.

1.10. Information and Clarity

You should ensure that you have copies of all the documentation provided with your response. Your response must be completed in easily readable fonts.

1.11. Amendment of Documents by Supplier

No alteration should be made to any document issued in this RFP without obtaining written approval clearance from DHL GROUP. Where you consider there has been an omission or error in your Response you should inform DHL GROUP immediately in writing.

1.12. False Information

All information provided by DHL GROUP is and will be supplied in good faith as being correct and accurate. All information supplied to DHL GROUP by the Supplier which creates part of the Response will be deemed to be accurate by DHL GROUP.

If information supplied by the Supplier is discovered to be false, the Response and any subsequent detailed or contract negotiations that may have been entered into between DHL GROUP and the Supplier may be terminated at DHL GROUP's sole option.

1.13. Declining to Submit a Response

If you do not intend to submit a response to this RFP, you must delete all files and inform DHL GROUP before the submission date. Electronic files shall be destroyed by all recipients.

2. Subject of Request

2.1. DHL GROUP - Company presentation

Deutsche Post DHL Group (DHL GROUP) is the world's leading mail and logistics services Group. The "Deutsche Post" and "DHL" corporate brands offer a one-of-a-kind portfolio of communication (Deutsche Post) and logistics (DHL) services. Over 570,000 employees in more than 220 countries and territories form a global network focused on service, quality and sustainability. In 2020, Deutsche Post DHL Group's revenue exceeded EUR 66.8bn. The Group is socially responsible, with programs in areas such as climate protection and disaster relief.

DHL GROUP provides with its divisions national and international services in five business areas:

- Post & Parcel Germany (P&P)
- Express (EXP)
- Global Forwarding & Freight (DGFF)
- Supply Chain (DSC)
- eCommerce Solutions (eCS)

In addition, Corporate Incubations has been established for innovative businesses that DHL GROUP wants to expand.

The divisions are responsible for their own operations. They are controlled by their own headquarters ("Divisional Headquarters") and are structured in functions, business units and regions.

The tasks of the Group management are performed by the Corporate Center.

In addition to the areas mentioned above, the Group structure includes DHL Customer Solutions & Innovation (CSI) as central key account management unit and Global Business Services (GBS) as an internal service provider (providing central services such as Procurement, Real Estate Management to all divisions).

Corporate Center, DHL Customer Solutions & Innovation (CSI) and Global Business Services (GBS) are referred to together as Corporate Functions (CF) in this document.

DHL GROUP consists of approx. 900 legal units.

DHL Procurement

DHL Procurement contributes to the improvement of the competitive position of DHL in the industry by means of a synchronized and integrated international purchasing network. We cooperate with “Best in Class” and innovative suppliers. Our globally standardized processes and professional resources are developed on the basis of “best practices” and are specifically aimed at meeting the requirements of the industry.

2.2. Subject of RFP

Subject of this RFP is the selection of a Supplier for a Computerized Maintenance Management System (CMMS) to support maintenance operations across multiple DHL Supply Chain sites.

The objectives of this RFP are:

- To identify a Supplier who can demonstrate proven capabilities in delivering scalable, user-friendly CMMS solutions.
- To assess the ability of the Supplier to meet DHL’s operational, technical, and commercial requirements.

- To evaluate the Supplier's experience in implementing CMMS in logistics or industrial environments.
- To prepare for a potential RFQ phase by narrowing down qualified candidates.

2.3. In Scope Requirements

The following requirements are required to be considered:

- Deployment across multiple European countries, with initial focus on Germany, Austria and Switzerland
- Multi-site capability with centralized data management.
- Support for preventive, corrective, and predictive maintenance workflows.
- Integration with existing ERP systems (e.g., SAP).
- Multilingual user interface (minimum: English and German).
- Cloud-based or hybrid hosting options.

2.4. Technical Requirements:

- Web-based application with mobile support (iOS/Android).
- Role-based access control and audit trail functionality.
- Real-time reporting and dashboard capabilities.
- API availability for integration with third-party systems.
- Compliance with ISO 27001 and GDPR standards.

2.5. Commercials & Conditions:

The proposal needs to be:

- Based on EUR
- Fixed price for the term of the contract Inclusive of licensing, implementation, training, and support costs.
- 60 days Payment Terms and Milestone Deliverables (if applicable)
- Transparency regarding all cost drivers regarding calculation of efforts, i.e. rate card, number of days and role/skill level.

3. RFP Process Timeline

The table below shows expected dates for this RFP process. DHL GROUP reserves the right to change the dates, if considered necessary:

3.1. Q&A

Commented [KG5]: TBD on a call

Activity	Date
RFP issued and distributed	11.03.2026
Confirmation of intention to respond	13.03.2026
RFP question deadline	18.03.2026 (23:59 CET)
DHL GROUP consolidated answers to all RFP participants	20.03.2026
RFP Response deadline	25.03.2026
Down selection for next steps	April 2026
Commercial negotiations	April – June 2026

During the RFP period, Suppliers have the opportunity to ask questions and receive answers. Please address these questions exclusively in writing via GoSource and Email until 18.03.2026 to the contact persons listed in section 1.6. We will then send our answers to all Suppliers in a series of un-attributable information via GoSource until 20.03.2026 EOB.

Commented [CD6R5]: Okay - i would propose to distribute the RFI on Nov 24th and set the response deadline to Dec 19th. So for Q&A should take place latest in cw 50. Looking forward to get your suggestion.

Please use only the provided Question Submission Form (see Appendix 1) for submitting your questions!

3.2. Submission of Proposal, Deadline

The offer documents must be submitted in electronic form via GoSource and additionally by e-mail on or before 25.03.2026 to Procurement:

- Karolina Gola (karolina.gola@dhl.com)

The submission date is a cut-off date.

4. Form and Minimum Requirement for the Proposal

4.1. Form and minimum details of the offer

The offer must be written in English and has to include a description of the Supplier offering to be provided. Following elements should at least be included:

- All exhibits must be completed in the format requested.
- Response sections, where attachments are required, should be consolidated into a single document and begin with the section number/reference.

5. Appendixes

Please note: All documents can be found in GoSource in the attachments section of the RFP

Appendix 1 : DPDHL Data Privacy Policy

Appendix 2: DHL GROUP Information Security Code of Practice v. 4.0

Appendix 3: DHL GROUP Supplier Code of Conduct

Appendix A: GoSource Q&A Template

Appendix B: CMMS – Technical Requirements and Pricing Model
